

Workforce Connections

Your monthly digest of resources, events, and all things Workforce Development in Lancaster County

March 19, 2021 | RFP Announcement

LCWDB is currently seeking Requests for Proposals

Workforce Development Coordinator

LCWDB is seeking a flexible, part-time person with excellent project management and communication skills to fill a short-term grant funded Workforce Development Coordinator role. Knowledge about Workforce Development is a plus! This position could involve working with youth so proper clearances are required. This position could extend based on funding availability.

Workforce Development Coordinator Scope of Work

Website Design

LCWDB is seeking a proposal for website design to launch a new site for **Career Ready Lancaster!** The purpose of this site is to connect the community to resources, events and activities related to all things Career Pathways! Be a part of this exciting launch by creating an interactive, user-friendly website accessible to all. **Hint - want to learn more about CRL!? We would link this text to the site, but it's not built yet. That's why we need you!**
