JUNE 15 COUNTY WIDE POP UPS

With several locations across the County, job seekers can drop by a 'pop-up' location and receive a 'swag bag' full of job flyers. Job seekers can view the flyers on their own time, choose companies that fit their interests and skills, and follow up with the company according to the company instructions provided. Pop Ups will be run at each location from **11am - 1 pm and then 5pm - 7 pm.**

We will also offer an online option where Job Seekers can register to get a downloadable version of the packet and materials.
