INTRODUCTION

Changing labor markets and technological advancements revolutionized how businesses find talent and how job seekers look for work. Social media, online platforms and professional networking sites are evolving rapidly, perpetuating shifts in labor market dynamics. Rising consumer expectations and global competition transformed how business is done in most industries. Employers must move faster and more efficiently to stay ahead of (or at least keep up with) competitors. This makes it imperative for the public workforce system to continuously adapt and reframe strategies and policies designed to support employers and job seekers.

The **Lancaster County Workforce Development Board, or Lancaster County WDB**, seeks to establish a system that stands in stark contrast to the “traditional” or historical transaction-based model, whereby each agency operates its own business and job seeker services functions, and participants move from place to place seeking services. Instead, the goal is to create integrated locations and a unified structure and process of proactive, transparent, and effective job seeker and business services, orchestrated by a seamless collaboration of talent development and support agencies.

The purpose of this memorandum of understanding, or MOU, is to define the parameters within which education, workforce, economic development, and other partner programs and entities operating in the **Lancaster County Workforce Development Area, or Lancaster County WDA**, create a seamless, customer-focused service delivery system that aligns service delivery across the area and enhances access to program services. By realizing one-stop opportunities together, partners can build community-benefiting bridges, rather than silos of programmatic isolation. These partnerships will reduce administrative burden and costs while increasing customer access and performance outcomes.

The MOU is also a financial plan, including terms and conditions, to fund the services and operating costs of the **Lancaster County WDA** PA CareerLink® system. The parties to this agreement agree that joint funding is a necessary foundation for an integrated service delivery system. The MOU parties’ goal is to develop overarching parameters in establishing a funding mechanism that:

- establishes and maintains the local workforce delivery system at a level that meets the needs of the job seekers and businesses in the local area
- reduces duplication and maximizes program impact through the sharing of services, resources, and technologies among partners (thereby improving each program’s effectiveness)
- reduces overhead costs for any one partner by streamlining and sharing financial, procurement and facility costs
- ensures that costs are appropriately shared by PA CareerLink® partners by determining contributions based on the proportionate use of the one-stop centers and relative benefits received, while requiring that all funds are spent solely for allowable purposes consistent with applicable authorizing statutes and all other applicable legal requirements, including the Uniform Guidance.

This MOU is executed between the **Lancaster County WDB**, or local board, or LWDB, and PA CareerLink® system partners, or partners, and the chief local elected official, or CLEO, **Ray D’Agostino, Chairman, Lancaster County Commissioners**. They are collectively referred to as the “parties” to this MOU.

This MOU confirms parties’ understanding regarding the operation and management of the PA CareerLink® Center in the **Lancaster County Workforce Development Area**, or Local Area or LWDA. The **Lancaster County WDB** provides local oversight of workforce programming for the **Lancaster County WDA**.

The **Lancaster County WDB**, with the agreement of the CEO, has competitively selected **Equus Workforce Solutions** as the one-stop operator for the **Lancaster County WDA**, as further outlined in the One-Stop Operator section.

Memorandum of Understanding

The Infrastructure Funding Agreement, or IFA, and PA CareerLink® Operating Budget, or OB, establish a financial plan, including terms and conditions, to fund the services and operating costs of the **Lancaster County WDA** PA CareerLink® system. Parties to this MOU agree that joint funding is an essential foundation for an integrated service-delivery system and necessary to maintain the **Lancaster County WDA's** high-standard PA CareerLink® system.

The Vision, Mission, System Structure, Terms and Conditions, Infrastructure Funding Agreement, Operating Budget and parties to the MOU Signatory Pages contained herein reflect the commitment of the parties to their job seeker, worker and business customers, as well as to the overall **Lancaster County** community.

VISION

Empower local area employers, individuals, and communities to prosper and grow the region's economy through a workforce development system that is inherently customer-centered, seamless and effective.

Steps to Reach Consensus

The **Lancaster County WDB** agrees to maintain a log of actions taken to reach consensus. This is necessary because should non- consensus ever occur, the **Lancaster County WDB** must be able to state how they attempted to approach this requirement. The parties to the MOU agree to use the following steps to reach consensus:

1. **Notification of Partners:** the **Lancaster County WDB** Chair (or designee) must notify all parties in writing that it is necessary to modify or renew the MOU, to provide all applicable policies and preceding MOU documents, and any other documents deemed required to achieve an executable MOU.
2. **Kickoff Meeting:** The **Lancaster County WDB** Chair (or designee) is responsible for convening all required and additional PA CareerLink® partners to formally kick-off negotiations, and to ensure that, at a minimum, all partners from all counties within the LWDA are appropriately represented. The kickoff meeting should take place no later than within three (3) weeks^{iv} of notification as it must be hosted in a timely manner to allow for all steps to be conducted in good faith and in an open and transparent environment.

At the kickoff meeting, the **Lancaster County WDB** Chair (or designee) must provide a detailed review of all relevant documents, facts, and information and ensure all parties have sufficient time to ask questions or voice concerns and are fully aware of expectations and the overall process.

3. **Negotiations:** Over the course of the four (4) weeks^v following the formal kickoff meeting, partners must submit all relevant documents to the **Lancaster County WDB** Chair (or designee) to begin the drafting of the MOU. During this timeframe, additional formal or informal meetings (informational and negotiation sessions) may take place, if conducted in an open and transparent manner with pertinent information provided to all parties.
4. **Draft MOU:** Within six (6) weeks^{vi} of the kickoff meeting, the **Lancaster County WDB** Chair (or designee) must email a complete draft of the MOU to all parties.

Memorandum of Understanding

5. **Review and Comment:** Within three (3) weeks^{vii} of receipt of the draft MOU, all parties must review and return feedback to the **Lancaster County WDB** Chair (or designee). It is advised that each Party also use this time to allow their respective Legal Departments to review the MOU for legal sufficiency. It is the responsibility of the **Lancaster County WDB** Chair (or designee) to ensure all PA CareerLink® partners to the MOU are aware of the comments and revisions that are needed.
6. **Finalized Draft:** The **Lancaster County WDB** Chair (or designee) must circulate the finalized MOU and secure partner signatures within four (4) weeks^{viii} of receipt of feedback. The MOU will be considered fully executed once all signatories have reviewed and signed, and a signed copy has been returned to all parties.

If it is determined that a partner is unwilling to sign the MOU, then the **Lancaster County WDB** Chair (or designee) must ensure that the agreed upon dispute resolution process is followed.

Dispute Resolution

The following section details the dispute resolution process designed for use by the parties of the MOU when unable to successfully reach an agreement on any of the MOU's language or elements necessary to execute the MOU. A disagreement is considered to have reached the level of dispute resolution when an issue arises out of the development and negotiation of an MOU that is not easily coming to a point of resolution. It is the responsibility of the **Lancaster County WDB** Chair (or designee) to coordinate the MOU dispute resolution ensuring issues are resolved appropriately. Any party to the MOU may seek resolution under this process.

1. All parties are advised to actively participate in local negotiations in a good faith effort to reach agreement. In case of disputes, parties shall attempt informal resolution first. The **Lancaster County WDB** Executive Committee shall attempt to mediate and resolve the dispute in an informal manner.
2. Should informal resolution efforts fail, the dispute resolution process must be formally initiated by the petitioner seeking resolution. The petitioner must send a notification to the **Lancaster County WDB** Chair (or designee) and all parties to the MOU regarding the conflict within ten (10)^{ix} business days.
3. The **Lancaster County WDB** Chair (or designee) shall place the dispute on the agenda of a special meeting of the **Lancaster County WDB's** Executive Committee. The Executive Committee shall attempt to mediate and resolve the dispute. A proposed resolution or decision shall be agreed upon by a simple majority consent of the Executive Committee members present.
4. The proposed resolution or decision of the **Lancaster County WDB** Executive Committee shall be considered final unless the proposed resolution or decision is in contradiction of applicable State and Federal laws or regulations governing the partner agencies. The right of appeal no longer exists when a decision is final. Additionally, final decisions will not be precedent-setting or binding on future conflict resolutions unless they are officially stated in this procedure.
5. The **Lancaster County WDB** Executive Committee must provide a written response and dated summary of the proposed resolution to all parties to the MOU.
6. The **Lancaster County WDB** Chair (or designee) will contact the petitioner and the appropriate parties to verify that all are in agreement with the proposed resolution.

MOU Negotiation Outcome Notification

When the MOU is being negotiated, renewed, or modified the Governor must be made aware of the local area's consensus status no later than 90 days within the MOU's expiration date. Likewise, if a dispute occurs halting the negotiation or modification process, the Governor must be made aware of the situation. To accomplish this notification, the **Lancaster County WDB** Chair (or designee) agrees to submit a *MOU Negotiation Outcome*

Memorandum of Understanding

Notification template and any other required documentation to PA Department of L&I's PA CareerLink® Finance & Budget Unit resource account RA-LI-PACL-FINOP@pa.gov.

Modification Process

The MOU parties agree that non-substantive changes to the MOU, such as minor revisions to the budget or adjustments made due to the annual reconciliation of the budget, do not require MOU modification.

1. **Notification of Partners:** When a MOU Party wishes to modify the MOU, the Party must first provide written notification to all signatories of the existing MOU and outline the proposed modification(s).
2. **Discussion/Negotiation:** Upon notification, the **Lancaster County WDB** Chair (or designee) must ensure that discussions and negotiations related to the proposed modification take place with all MOU parties in a timely manner and as appropriate.

Depending upon the type of modification, this can be accomplished through email communications of all the parties. If the proposed modification is extensive and is met with opposition, the **Lancaster County WDB** Chair (or designee) may need to call a meeting of the parties to resolve the issue. Upon agreement of all parties, a modification will be processed.

If the modification involves substitution of a party that will not impact any of the terms of the agreement, it can be accomplished by the original party and the new party entering into an MOU that includes the **Lancaster County WDB**, wherein the new party assumes all of the rights and obligations of the original party. Upon execution, the **Lancaster County WDB** Chair (or designee) presents the agreement as a proposed MOU modification to the other MOU parties, and the remaining steps are followed.

If determined that a partner is unwilling to agree to the MOU modification, the **Lancaster County WDB** Chair (or designee) must ensure that the process found at the MOU's Dispute Resolution section is followed.

3. **Signatures:** The LANCASTER COUNTY WDB Chair (or designee) must immediately circulate the MOU modification and secure partner signatures within four (4) weeks*.

The modification may be signed in counterparts, meaning each signatory can sign a separate document as long as the **Lancaster County WDB** Chair (or designee) acquires signatures of each party and provides a complete copy of the modification with each party's signature to all the other parties.

The MOU will be considered *fully executed* once all parties receive a copy of the complete MOU including all *MOU Authority and Signature Pages*.

Renewal Process

Non-substantive changes to the MOU, such as minor revisions to the budget or adjustments made due to the annual reconciliation of the budget, do not require MOU renewal. Substantial changes, such as changes in one-stop partners, or a change due to the election of a new CEO, will require MOU renewal. MOU renewals must be completed at least every three years.

A MOU renewal requires all parties to review and agree to all MOU elements. Thereafter, the parties will follow the process detailed in the **MOU's Execution section**. The renewed MOU will become *effective* as of the date of signing by the final signatory.

Memorandum of Understanding

Termination

This MOU will remain in effect until the end date specified in the Effective Period section below, unless:

- All parties mutually agree to terminate this MOU prior to the end date.
- Federal oversight agencies charged with the administration of WIOA are unable to appropriate funds, or if funds are not otherwise made available for continued performance for any fiscal period of this MOU succeeding the first fiscal period. Any party unable to perform pursuant to MOU due to lack of funding shall notify the other parties as soon as the party has knowledge that funds may be unavailable for the continuation of activities under this MOU.
- WIOA is repealed or superseded by subsequent federal law.
- Local area designation is changed under WIOA.
- A party breaches any provision of this MOU and such breach is not cured within thirty (30) days^{xi} after receiving written notice from the **Lancaster County WDB** Chair (or designee) specifying such breach in reasonable detail. In such event, the non-breaching party(s) shall have the right to terminate this MOU by giving written notice thereof to the party in breach, upon which termination will go into effect immediately.

In the event of termination, the parties to the MOU must convene within thirty (30) days^{xii} after the breach of the MOU to discuss the formation of the successor MOU. At that time, allocated costs must be addressed.

Any party may request to terminate its inclusion in this MOU by following the modification process identified in the Modification Process section above.

All parties agree that this MOU shall be reviewed and updated to ensure it contains up-to-date information regarding funding, delivery of services and changes in the signatory official of the CEO, **Lancaster County WDB** or PA CareerLink® partner(s) as needed; and then, renewed not less than once every three (3) year period to ensure appropriate funding and delivery of services.

Execution

After consensus has been reached, it is agreed **Lancaster County WDB** must circulate the finalized MOU and secure authorization from signatories representing each of the parties to the MOU. Authorized signatories for all the parties must review the MOU. Thereafter, the parties must return a completed, signed and dated *MOU Authority and Signature Page* to **Lancaster County WDB**. The MOU will be considered *fully executed* once all parties receive a copy of the complete MOU including all *MOU Authority and Signature Pages*.

If it is determined that a MOU Party is unwilling to authorize the MOU, then **Lancaster County WDB** must ensure that the dispute resolution process is followed.

Effective Period

This MOU is entered into on **July 1, 2023**. This MOU will become *effective* as of the date of signing by the final signatory and will expire on **June 30, 2026**, unless any of the reasons found in the MOU's Termination section apply.

INFRASTRUCTURE FUNDING AGREEMENT

The MOU parties agree that Infrastructure Funding Agreement, or IFA, is an incorporated component of the MOU, and when consensus is reached, allows the Local Funding Mechanism to be employed.

Memorandum of Understanding

The partners of the **Lancaster County WDA** PA CareerLink® sites have come together to establish a self-negotiated, rather than state funding mechanism-driven, method of covering costs associated with the one-stop system. Information related to costs, including those related to the MOU and Infrastructure Funding Agreements, the cost allocation methodology, steps to reach consensus, dispute resolution process, and impasse process are outlined below.

Note that the PA CareerLink® Operating Budget, or OB, is a fluid document; at times modifications will be needed to reflect changes in staffing levels or instances of increasing or decreasing costs associated with site operations. These budgets reflect current cost allocation methods applied to partners and are included in this MOU's PA CareerLink® Operating Budget section.

PA CareerLink® infrastructure costs are defined as non-personnel costs that are necessary for the general operation of the PA CareerLink®, including, but not limited to:

- Rental of the facilities;
- Utilities and maintenance;
- Equipment, including assessment-related products and assistive technology for individuals with disabilities; and,
- Technology to facilitate access to the PA CareerLink® including technology used for the center's planning and outreach activities.

All parties to the MOU and the IFA recognize that infrastructure costs are applicable to all required partners, whether they are physically located in the PA CareerLink® center or not. If a program's authorization does not require infrastructure contributions, but the partner contributes to infrastructure costs nonetheless the partner is to be a MOU Party. Each partner's contributions to these costs, however, may vary as these contributions are based on the proportionate use and relative benefit received, consistent with the partner programs' authorizing laws and regulations and the Uniform Guidance.

Partners

Partners funding the costs of infrastructure according to this IFA are the same as identified in the **MOU's partners' section**. In cases where no financial contribution is shown, the identified partner is either not present in the region therefore no financial contribution is expected, or their contribution is provided in-kind in lieu of a cash payment and is equivalent to the expected cash payment. PA CareerLink® offices maintain materials on programs that are not available in the region i.e., Job Corps, Indian and Native American programs and make referrals as appropriate.

Infrastructure Costs

The PA CareerLink® Operating Budget, or OB, is the end result of MOU negotiations and the IFA process. It is necessary to maintain the **Lancaster County WDA's** high standard PA CareerLink® system. Furthermore, the PA CareerLink® OB will be the actual document that assigns each partner's shared cost or contribution of funding the region's PA CareerLink® system pursuant to the provisions of the MOU and its subparts. The OB is recognized as a MOU component, and that all parties may announce OB consensus through the exchange of correspondence between the local board and partners or by some other agreed upon procedure. Such agreed upon amendments or modifications will become part of the MOU. It includes the following *cost categories*, as required by WIOA and its implementing regulations:

- Infrastructure costs
- Additional Costs to include career services and shared services

Memorandum of Understanding

The infrastructure portion of the OB for each PA CareerLink® is specific to the “infrastructure cost” cost category. The infrastructure costs lists appropriate infrastructure-related *cost pools*, and in turn, related *cost items* are listed with the cost pool. The infrastructure budget example below is specific to the ‘infrastructure cost’ category:

Cost Pool	Cost Item
Rent	
Utilities	Above the amount built into rent
Telephone	Local line & service
System Maintenance	Annual Maintenance
State LAN Connections	
Non-State LAN Connections	
Telecommunications/Internet	
Equipment & Technology Costs	Computer & Phone Maintenance
Fax	
Copier/FAX BWPO and Non-State	Monthly Lease
Supplies- Office	
Reasonable Accommodations	ADA/LEP, Language Line
Telephone Upgrade	
Assistive Technology	
Relocation Costs	
Signage	
Other ‘Common Identifier’ Costs	
In-kind Contributions	In-kind, in lieu of
Telephone-Long Distance	Connection & Service
Liability Insurance	Building

All costs will be allocated according to partners’ proportionate use and relative benefits received and reconciled on a quarterly basis against actual costs incurred and adjusted accordingly. The PA CareerLink® OB is expected to be transparent and negotiated among partners on an equitable basis to ensure costs are shared appropriately. All partners must negotiate in good faith and seek to establish outcomes that are reasonable and fair. All program income received will be used to offset rent expenses in the quarter in which the invoicing occurs.

The MOU parties agree to use L&I budget templates designed to allow local area customization and follow the rules attached to the budget templates. Agreed upon infrastructure budget information will be applied to the annual PA CareerLink® OB. These costs are identified in the OB – Part 1; and are allocated by partner based upon the agreed cost allocation methodology outlined in the OB – Part 3. These are not fixed costs and may change.

Cost Allocation Methodology

Within the **Lancaster County WDA** one-stop system, a variety of allocation methods are used as agreed upon by the MOU parties, which reflect the best measure of benefit received by the partner programs. Cost allocation methodologies are incorporated within the MOU’s OB. The attached OBs outline the method of allocation by partner and includes utilizing a payment ration based on partner office sharing, direct square footage, telephone lines and internet connections and FTEs based on the number of staff that regularly occupy space within the one-stop.

All partners in the **Lancaster County WDA** are physically co-located in the one-stop center(s) as outlined in the

Memorandum of Understanding

Partner On-Site Representation Schedule section of the MOU, with the following exceptions:

Required Partners	Additional Partners
Unemployment Insurance	
Indian and Native American Program	
YouthBuild	
Job Corps	

These partners/programs are linked virtually through online service access to a program staff member via PA CareerLink® center resource rooms and through cross-trained front desk staff and other, physically co-located, partner staff who can provide information and referrals.

The UI program, as a required partner, must contribute to the cost of infrastructure and certain additional services. The Indian and Native American, or INA, Program is strongly encouraged, but not required, to contribute to the cost of infrastructure and certain additional services. Even if not physically co-located within the PA CareerLink® Centers, a significant number of UI customers and a small number of INA customers use the local PA CareerLink® system to access services such as:

- Using resource room computers to file UI claims, conduct work searches, and communicate with off-site program staff
- Using resource room staff for general assistance for the above services and for general information
- Using other resource room equipment such as copiers, scanners, fax machines, or assistive technology for individuals with disabilities
- Obtaining labor market information
- Attending reemployment workshops
- Filing grievances or appeals

These services are utilized in direct benefit of the UI and INA programs and in support thereof and will, therefore, be proportionately paid for.

The **Lancaster County WDA** selected four (4) different allocation bases to determine overall partner contributions assigned on the Operating Budget. This was done in an effort to:

- Remedy the imbalance of non-physically represented partners, and
- Comply with the requirement of partners' contributions having to be in proportion to the partners' use of the one-stop center(s) and relative benefit received.

The **Lancaster County WDA** selected four (4) different allocation bases to include:

- Full Time Equivalent, or FTE
- Rent Only/Flat Rate
- In-Kind In Lieu of Cash Payment
- Direct Square Footage Utilized

The parties to the MOU and IFA recognize a formal and fiduciary relationship with the public workforce system. Efforts will be made to track customer utilization of partner services and referrals between partner agencies to determine proportionate use and benefits more accurately.

In cases where a specific dollar amount is provided to a local area on behalf of a partner (e.g., PA Department of Community and Economic Development's annual contribution), the allocation method utilized to determine the area's award will also be utilized to determine the amount of financial support for the **Lancaster County WDA's** PA CareerLink® service sites.

Memorandum of Understanding

OBs show each partner's percent allocation, broken down by methodology, which determines their annual contribution to the cost of operating the PA CareerLink® sites. The methodologies include the use of partner FTEs, as provided on the PA CareerLink® Staffing Survey, which is included with the attached OBs.

What follows is Methods of Allocation guidance: This table shows each partner's percent allocation (broken down by methodology), which determines their annual contribution to the cost of operating the PA CareerLink®. These methodologies are primarily based on partner full time equivalents, or FTEs, as provided on the PA CareerLink® Staffing Survey accompanying the Operating Budget. FTE's are calculated by day. One day equals .20 FTE. One day (.20 FTE) is the minimum allowable FTE calculation.

Steps to Reach Consensus

All parties agree that the steps to reach consensus for this IFA will be the same as described in the MOU's Terms and Conditions. Partners will make a concerted effort to negotiate the IFA along with the remainder of the MOU, including the overall operating budget, for the **Lancaster County WDA** PA CareerLink® network.

Dispute Resolution and Impasse

All parties will actively participate in Local IFA negotiations in a good faith effort to reach agreement. In case of disputes, parties shall attempt informal resolution first. Should informal resolution efforts fail, the process outlined in the MOU's Terms and Condition section that details Dispute Resolution must be followed.

If the LWDB, CEO and one-stop partners in a local area employed the dispute resolution process but still reach an impasse related to infrastructure cost funding, the State Funding Mechanism, or SFM, is triggered.

Steps to implement the State Funding Mechanism

Step 1: Notice of failure to reach consensus given to the Governor.

If the parties cannot reach consensus on methods of sufficiently funding a one-stop center's infrastructure costs and the amounts to be contributed by each local partner program, the **Lancaster County WDB** is required to notify the Governor. Notification must be given to the Governor no later than ninety (90) days before the expiration of the MOU.

Step 2: Negotiation materials provided to the Governor.

The **Lancaster County WDB** Chair (or designee) must provide the appropriate and relevant materials and documents used in the negotiations to the Governor, preferably at the time of the notification of failure to reach consensus, but no later than five (5) business days^{xiii} thereafter. At a minimum, the **Lancaster County WDB** Chair (or designee) must provide to the Governor:

- The local WIOA plan
- The cost allocation methodology or methodologies proposed by the partners to be used in determining the proportionate share
- The proposed amounts or budget to fund infrastructure costs
- The amount of partner funds included
- The type of funds (cash, non-cash, and third-party in-kind contributions) available (including all documentation on how partners valued non-cash and third-party in-kind contributions consistent with 2

Memorandum of Understanding

CFR 200.306)

- Any proposed or agreed on PA CareerLink® budget (for individual centers or a network of centers), and
- Any partially agreed upon, proposed, Operating Budget(s)
- Any partially agreed upon, proposed, or draft IFAs

The local board may also provide the Governor with additional materials that they or the Governor find to be appropriate.

Step 3: Governor Determinations and Calculations.

The Governor will:

- Determine one-stop center infrastructure budget(s)
- Establish cost allocation methodology(s)
- Determine partners' proportionate shares
- Calculate statewide caps
- Assess the aggregate total of infrastructure contributions as it relates to the statewide cap, and
- Adjust allocations

Once all determinations and calculations are completed, the Governor will notify the **Lancaster County WDB** Chair (or designee) of the final decision and provide a revised IFA for execution by the parties.

Step 4: Infrastructure Funding Agreement Execution

The Infrastructure Funding Agreement becomes effective as of the date of signing by the final signatory.

Programs may appeal the Governor's determinations of their infrastructure cost contributions in accordance with the process established under 20 CFR 678.750, 34 CFR 361.750, and 34 CFR 463.750.

IFA Modification

All parties agree to abide by the modification process, as outlined in the MOU's Terms and Conditions except as they may relate to modifying annual PA CareerLink® Operating Budgets. The **LANCASTER COUNTY WDB** will comply with L&I directives and guidance regarding operating budget modification.

Effective Period

This IFA is entered into on July 1, 2023. This IFA will become effective as of the date of signing by the final signatory below and will expire on June 30, 2026, unless any of the reasons in the MOU's Termination section apply.

PA CAREERLINK® OPERATING BUDGET

The PA CareerLink® Operating Budget, or OB, is an incorporated MOU component. The purpose of this section is to establish a financial plan to fund the services and operating costs of the **Lancaster County WDA** PA CareerLink® system. The Parties to this MOU agree that joint funding is a necessary foundation for an integrated service delivery system. The goal of the One-Stop Operating Budget, also known as the PA CareerLink® Operating Budget or Operating Budget, is to develop the overarching parameters in establishing a funding mechanism that:

Memorandum of Understanding

- Establishes and maintains the local workforce delivery system at a level that meets the needs of the job seekers and businesses in the local area
- Reduces duplication and maximizes program impact through the sharing of services, resources, and technologies among partners (thereby improving each program's effectiveness)
- Reduces overhead costs for any one partner by streamlining and sharing financial, procurement and facility costs, and
- Ensures that costs are appropriately shared by PA CareerLink® partners by determining contributions based on the proportionate use of the one-stops and relative benefits received and requiring that all funds are spent solely for allowable purposes in a manner consistent with the applicable authorizing statutes and all other applicable legal requirements, including the Uniform Guidance.

The partners consider the Operating Budget necessary to maintain **Lancaster County WDA's** high-standard PA CareerLink® system. Furthermore, the Operating Budget will be the actual document that assigns each partner's shared cost, or contribution, of funding to the **Lancaster County WDA PA CareerLink®** system pursuant to the provisions of this MOU and its subparts. The Operating Budget is a component to this MOU and that all parties may announce their consensus of the Operating Budget through the exchange of correspondence between the local board and partners or by some other agreed upon procedure.

Such agreed upon amendments, or modifications, will become part of this MOU. It includes, but is not limited to, the following cost categories, as required by WIOA and its implementing regulations:

- Infrastructure Costs (separately outlined in the Infrastructure Funding Agreement, or IFA),
- Additional Costs (career services and shared services); see WIOA Section 121(i)(1) and 20 CFR Rule 678.760

All costs will be allocated according to partners' proportionate use and relative benefits received and reconciled on a quarterly basis against actual costs incurred and adjusted accordingly. The Operating Budget is expected to be transparent and negotiated among partners on an equitable basis to ensure costs are shared appropriately. All partners must negotiate in good faith and seek to establish outcomes that are reasonable and fair.

Cost Reconciliation and Allocation Base Update

All parties agree that a quarterly reconciliation of budgeted and actual costs and update of the allocation bases will be completed in accordance with the following process:

- Based upon L&I requirements, partners will provide the **Lancaster County WDB** with the following information no later than thirty (30) days after the end of each quarter, as applicable:
 - Quarterly cost information and documentation of the actual costs,
 - Updated staffing information (per the 1st day of a new program year and the 1st day of each subsequent quarter), and
 - Actual customer participation numbers (per the last day of the last month of each quarter).
- Upon receipt of the above information, the **Lancaster County WDB** will:
 - Compare budgeted costs to actual costs,
 - Update the allocation bases, and
 - Apply the updated allocation bases, as described in the Cost Allocation Methodology section above, to determine the actual costs allocable to each partner.

Memorandum of Understanding

- The **Lancaster County WDB** will prepare an updated budget document showing cost adjustments and will prepare an invoice for each partner with the actual costs allocable to each partner for the quarter.
- The **Lancaster County WDB** will submit the invoices to the partners and send a copy of the updated budget to all parties no later than forty-five (45) days after the end of each quarter. The partners understand that the timeliness of the **Lancaster County WDB's** preparation and submission of invoices and adjusted budgets is contingent upon the timeliness of each partner in providing the necessary cost information. For partners that advance funds to the local area, the **Lancaster County WDB** will only send a copy of the updated budget.
- Upon receipt of the invoice and adjusted budget, each partner will review both documents and will submit payment to the **Lancaster County WDB** no later than fifteen (15) days following receipt. Payment of the invoice signifies agreement with the costs in the adjusted budget. For partners that advance funds to the local area, the **Lancaster County WDB** may draw down funds for quarterly payments upon approval via email of the reconciled budget.
- Partners will communicate any disputes with costs in the invoice or the adjusted budget to the **Lancaster County WDB** in writing. The **Lancaster County WDB** will review the disputed cost items and respond accordingly to the partner and **Lancaster County WDB** within ten (10) days of receipt of notice of the disputed costs. When necessary, the **Lancaster County WDB** will revise the invoice and the adjusted budget upon resolution of the dispute.

Based upon L&I requirements, upon receipt of the above information, the **Lancaster County WDB**, or **Lancaster County** Fiscal Agent, will provide an Operating Budget – Financial Status Report, or OB FSR, on or before 45 days after the end of the quarter.
