- Notes:
- 1) Per TEGL 26-15, baseline indicators are those for which states were not required to propose negotiated levels for Program Years 2016 and 2017. These indicators will not be used in the end of the year performance calculations and will not be used to determine failure to achieve adjusted levels of performance for purposes of sanctions.
 - 2) The first results for Employment Rate (4th Quarter) and Credential Attainment Rate became available with the release of the 3rd Quarter PY 2017 reports in May 2018.
