CAREER PATHWAY

FASHION MANAGER

Responsibilities include supervising staff, overseeing daily store operations, assisting customers, managing inventory, handling cash and sales reports, and ensuring the store is clean and well-organized. The ideal

SALES ASSOCIATE

Responsibilities include greeting customers, helping them find products, processing sales at the register, restocking items, and keeping the store clean and organized.

START

STOCK ASSOCIATE

Responsibilities include receiving and unpacking merchandise, organizing and restocking shelves, tagging items, and keeping the stockroom and sales floor clean and orderly. The ideal candidate pays attention to detail, works well independently, and can lift boxes and move merchandise as needed. Retail experience is a plus but not required. Part-time hours with flexible scheduling available.
