## CAREER PATHWAY – Transport Logistics

### WFM Transport

**FIND OPENINGS:** <https://www.thewengergroup.com/careers/>

### Business Description

We're a leading Northeast family-owned food, agricultural products, and agricultural services organization headquartered in Pennsylvania. We provide animal nutrition and feeds; specialty protein production, processing, and marketing; on-farm protein production services; and grain, fertilizer, and ingredient procurement. We're a stable company with strong core values, great benefits, competitive wage structure, and a safe and healthy work environment. With over 850 team members, we're a growing company in an essential sector – agriculture!

**Integrity:** Honesty and sound moral character define us.

**Quality:** We maintain standards of excellence in all that we do.

**Respect:** We value one another—team members, customers, and vendors.

**Safety:** We put safety first to ensure the physical health and safety of every team member.

**Stewardship:** We manage our lives and assets responsibly for a sustainable future for our team members, customers, community, and the environment.

### Knowledge, Skills, and Abilities Needed
